Although the group had applied to the Police Department for permission, we are informed that it was never granted. A small but vocal group is doing more to extend and escalate the fighting in Vietnam by its demands for immediate peace than it is promoting the end of the war. **ACTION EVENTS IN MARION AREA**

A group of Marion, Mattapoisett and Rochester residents is planning observances for October 15th, as part of the nationwide day of protest against continuation of the Vietnam war. Many possible ways of showing support for that day's efforts are being considered, in addition to those already decided upon. So far, church services and symbolic displays of materials have been set up.

**CHURCH SERVICES**

At St. Gabriel's Episcopal Church in Marion, three services are scheduled for Peace Action Day; at 9:00 A.M., 12:00 noon, and 7:00 P.M. In addition, there will be an ecumenical service at the Marion First Congregational Church at 7:30 P.M. with all area resi-

dents welcome. The themes of these services will be mourning for the dead, and prayer for prompt withdrawal from the Viet Nam conflict -- emphasizing the word "prompt".

**DISPLAY MATERIALS**

Marion area citizens are anxious to show their sympathy with the Peace Action Day protests, centering at Southeastern Massachusetts University, by displaying on their persons, cars and homes, symbols of mourning and protest. Black armbands of mourning and "dove" buttons, decals and bumper stickers are all available. Distribution centers for materials in Marion are The Bookstall, 151 Front Street, and the homes of Mrs. Patricia H. Finn and Mrs. Kathleen P. Reis. Other area distribution centers are the homes of Mrs. Eunice Sawyer in Mattapoisett and Mrs. Julia Enroth in Rochester.

**PLANNING MEETING SCHEDULED**

A meeting will be held at 8:00 P.M. at the home of Mrs. Finn, 12 Bell Guzzle Lane, to decide on other possible actions. Setting up booths to distribute leaflets, armbands and buttons is contemplated. Other possibilities include holding an outdoor silent vigil by candlelight, weather permitting.

Junior Fire Marshal Flag, in competition with the Mattapoissett Center School, for the third straight year. The Hartford Insurance Company Junior Fire Marshal program, sponsored in Mattapoissett and Rochester by the Giles H. Dunn Agency, local representatives of the Company, was presented this last week for Grades 1, 2 & 3 in each school. Competition was based on a home fire safety report that each student was to complete and return to the school. The Rochester Memorial School had a report from every student except one. The Mattapoissett Center School was missing six. Each student that returned the properly completed report was awarded a red junior fire marshal hat.

The third grades of each school also competed in a Fire Prevention Week Poster Contest. Six awards were made in Mattapoissett as well as Rochester. These winning posters have now been forwarded to Hartford, Connecticut, for judging in the National

## Peace

Editorial

It's a desire so strong, so universally wanted throughout the country that millions of well-intentioned Americans will take part in the "Peace Moratorium" all over the United States. There is no question that the impact will be tremendous. We can only guess at the results.

Should the United States withdraw all of its troops from South Viet Nam at once, there is little doubt that that country will quickly fall. With that smashing success, the Communists may well continue their drive.

We, the United States, are committed to: ANZUS TREATY OF 1951 ... The United States will meet the common danger of an armed attack on New Zealand and Australia. PHILIPPINE TREATY OF 1951 ... Any attack on the Philippine Republic will bring the United States to the rescue.

SOUTH KOREA TREATY OF 1953 ... Any armed attack on South Korea will bring a United States response to meet the common danger.

SOUTHEAST ASIA TREATY OF 1954 ... United States will stop attacks anywhere in South-

REPUBLIC OF CHINA TREATY OF 1954 ...  
Attack on Taiwan or the Pescadores Islands  
will be considered dangerous to the United  
States, bringing immediate American reaction.  
JAPANESE TREATY OF 1960 ... If the terri-  
tory under the administration of Japan is  
attacked the United States will act.

So, if the goal of the "Peace Moratorium"  
should be achieved, completely, we would  
break our commitment to South Viet Nam but  
still are bound to 5 separate treaties in that  
area with the real possibility that the war  
would spread all over that part of the world.  
This is what our President must consider.

At the very least, the impact will give the  
Communist negotiators in Paris the victory  
that has been denied them in South Viet Nam.  
Certainly, after October 15th, we can ex-  
pect no concessions whatsoever from them.  
In Viet Nam we can expect renewed pressure  
as news of the weakness in the United States  
population is fed to the North Vietnamese  
troops to give them the scent of victory.

Our men will pay in blood for the "Peace  
Moratorium".

President Nixon has taken some very promis-  
ing steps to withdraw our men from the war  
in Viet Nam. He bears the responsibility to  
do this in such a way that our national in-  
terest is protected as well as that of the

South Vietnamese. He needs to deal from strength in order to achieve a stable situation. He is the first President to attempt such a move. It is difficult. Why don't the citizens of the United States back the only steps taken by a President to achieve such a result. Who will take the blame for weakening his stand at the Peace talks? Who will take the blame for the men who will die because of the aid and comfort given the Communist troops? Who will take the blame for prolonging the war?

You can be sure that it won't be those people who indicate before the enemy and the world that the United States public is whining on its knees for peace.

## Tri-County Music

### DRIVE IS ON

The Board of Directors of the Regional Symphonic Band met last week to plan the subscription drive for the Band's 8th Concert Series. A \$4,000.00 goal has been set for this year. A music scholarship will be awarded.

The Board of Directors, under the corporation name of Tri-County Music Association, Inc., began their drive on Monday, October 6th, and the response, thus far, has been overwhelming.

Mr. John R. Pandolfi, director of the Regional Symphonic Band, has an outstanding program planned for this season, and is ever striving to improve this fine band.

Anyone wishing to become a patron, sponsor or season ticket holder may contact Mrs. William Sylvia at 758-2562, or Mrs. Harry Locke at 758-2187 for details.

Sincerely,
